## LETTER TO PARENTS & GUARDIANS

Hello PrimeTime families,

This month "Kodely" will continue to visit our program and share coding lessons with our 2nd grade students, with the use of a program called "Coding with Empathy". Additionally, we will continue to have STEAM, arts and crafts, and sports as part of our Modified Day clubs. We will also have Super Soccer Stars visiting us and sharing tips and tricks about soccer! Moreover, we would like to emphasize the importance of attendance, and ask for you to notify us of any absences or tardies. Lastly as a reminder, drop-off for our morning program begins at 6:30 a.m. and ends at 7:50 a.m., drop-off after this time may result in a non-compliance notice. In addition, our latest pick-up time is 6:07 p.m., please let us know if you are running late.

If you have any questions, you may refer to the 2023-24 Parent Handbook sent to your emails. We can be reached at perry@arc-experience.com or (619) 636-6705.

Thank You,  
Ms. Itzel

# STUDENTS OF THE MONTH

Being named Student of the Month is more than just earning a prize from our prize box; it is a reflection of the student's commitment to personal growth and excellence. PrimeTime staff and peers recognize the effort students put into the program and academics, and they value the positive impact students make on the school environment.

This achievement is not only a source of pride for our students but also an inspiration to others. We encourage all students to strive for excellence, be an active participant in our school's community, and lend a helping hand to those in need. The students recognized in this section have demonstrated positive attitudes and have been selected by their staff members. Congrats!
